PRESSING – there is no perfect way to press this block. Wait to press until you are putting each block together and press as desired. Some or all seams can be pressed open, depending upon your preference.

#1 Mark diagonal line on wrong side of all eleven 2 7/8" light squares.

#2 Pair 7 light squares from #1 above with 7 dark squares RST – stitch ¼" on both sides of drawn diagonal line. Cut on drawn line.

#3 Pair 4 light squares from #1 above with 4 medium squares RST – stitch ¼" on both sides of drawn diagonal line. Cut on drawn line.

#4 Mark diagonal line on wrong side of all five 2 7/8" medium light squares.

#5 Pair 1 medium light squares from #4 above with 1 dark square RST – stitch ¼" on both sides of drawn diagonal line. Cut on drawn line.

#6 Pair 4 medium light squares from #4 above with 4 medium squares RST – stitch ¼" on both side of drawn diagonal line. Cut on drawn line.

#7 Trim off all bunny ears, then sew squares into 4 patch blocks – there will be 4 corner blocks, 4 side blocks, and 1 center block.

#8 Sew together in rows, then sew rows together per the diagram. Your completed pieced block should measure 12 ½".
