Fabric A (light) - cut 4 squares - each 4 1/2" AND cut 2 squares - each 5 1/4"

Fabric B (dark) - cut 1 square - each 4 1/2" AND cut 2 squares - each 5 1/4"

Cut all 4 of the 5 1/4" squares on both diagonals to make 8 light and 8 dark triangles.

Sew two light/dark triangle sets together to make 1 block. Press seam in one direction. Repeat to make 4 triangle blocks. Trim "bunny" ears. These blocks should measure 4 1/2".

Sew together in rows per the diagram. Watch orientation of the 4 triangle squares. The 4 1/2" dark square should be in the middle of the middle row. Press toward the solid squares in each row. Sew rows together. Your unfinished block should measure 12 1/2".
